New Dry Enforcement Plan Being Tried in Washington

Douthitt Intends To Spread Campaign All Over Country

By CHARLES F. STEWART
WASHINGTON, June 25.—The opening guns in a new kind of prohibition enforcement fight, which may spread, are just being fired in Washington.
In fact, Harry N. Douthitt, the dry general, says he intends to spread the campaign all over the country.
If it proves effective in drying up the capital, the test will be a convincing one for the District of Columbia is a very wet spot on the map, so it would seem natural, in such an event, for dry elsewhere to look favorably on the same method's adoption in their own various localities.

DOUTHITT is an ex-agent of the government's prohibition service and is said to have been a capable one. He retired, however, because he had become convinced that it simply is impractical to provide an official personnel numerically strong and reliable enough to enforce such a law as the Volstead Act.

His theory is that unpaid volunteers are essential, both in the interest of great numbers and of honesty and enthusiasm.

Hence Washington's Citizens Service Association for Law and Order, with an initial membership of 5,000, twice that many in prospect in the near future and "A dry agent in every block" as its motto.

THE association is non-political, non-partisan, non-sectarian and pays no

salaries, except to a few administrative officials.
Each member is obliged to turn in to headquarters all information he may obtain concerning any citizen who sells, buys, drinks or otherwise handles intoxicants, and to look for this information especially in his own neighborhood, to make it exact and circumstantial.
Lacking a governmental status, the organization's management will undertake no raids or arrests, but will investigate complaints as far as possible, turn the evidence over to the proper authorities and make it its business to see that they act on it.

DOUTHITT disagrees with administrators like Gen. Andrews, who advocate concentration on only the larger liquor sources, for his experience is that bootleg flows, not in a few great rivers, but in almost innumerable small trickles.

His dry enforcement method is to mop up every drop of it.
He admits that this is an impossible task for police and government agents, alone, but with his association's help, he believes they can do it. He also recognizes corruption in official ranks, but relies on the association to stamp that out, too.

Oh, yes—he concedes—his system will create ill-feeling, but it will enforce prohibition.

HARRY DOUTHITT hasn't a national reputation yet, but he prides himself on having.
Bootleggers already have an eye on him.
A conference—is it necessary to say a confidential one?—of leaders in the industry, for a discussion of his activ-

ties, is known positively to have been held in the capital the other night, at which Baltimore, Philadelphia and other nearby cities were represented.
The "trader" isn't necessarily scared thus far, but isn't watchful.
"Tricker members" are said to have been prompt to join the association, contributing liberally to it, as a means of keeping in touch with its work.
"I can't see how they can lose money," is Douthitt's comment, and he sees their money.
Australia is going in for scientific goat farming on a large scale.

If you asked William Collier which cigarette he prefers, he'd say to you:

"It was a happy day for me when I became acquainted with Lucky Strikes, for I enjoy smoking but must be careful. I find Lucky Strikes never offend my throat in the slightest."

You, too, will find that Lucky Strikes are mild and mellow—the finest cigarettes you ever smoked, made of the finest Turkish and domestic tobaccos, properly aged and blended with great skill, and there is an extra process—"It's toasted"—no harshness, not a bit of bite.

"HOW MUCH will you allow on my used car?"

THIS is a commonly asked question, since most new car sales now involve the trading-in of the purchaser's used car.

Theoretically, you can get almost any allowance you want, if you are willing to buy a new car whose price has been arranged to permit an excessive trade-in offer.

Practically, the largest allowance is not the best deal for you unless the new car has been priced to give you full new car value, without regard to trade-in.

When you trade-in your present car for a new car, remember that after all you are making a purchase—not a sale. So be guided by these basic facts:

- 1 Your used car has only one fundamental basis of value; i.e., what the dealer who accepts it in trade can get for it in the used car market.
- 2 Your used car has seemingly different values because competitive dealers are bidding to sell you a new car.
- 3 The largest allowance offered is not necessarily the best deal for you. Sometimes it is; sometimes it is not.
- 4 An excessive allowance may mean that you are paying an excessive price for the new car in comparison with its real value.
- 5 First judge the merits of the new car in comparison with its price, including all delivery and finance charges. Then weigh any difference in allowance offered on your used car.

UNION STATION PARCEL ROOM BEING RAZED

Structure Erected for Marding
Campaign: Tearing Away
Special Building

A parcel room built to serve the baggage room of the Union Station, the American Railway Express Co. Office here in 1920 during the Warren G. Harding presidential campaign, is being torn down today by Hocking Valley carpenters.

The room was constructed about 17 years ago but has not been in use for the last few years, being used only for the days of the presidential campaign.

The work of removing the structure is a part of the remodeling campaign being staged by workers in the vicinity of the Union Station.

Removal of the parcel room will again leave an opening between the Express office and the baggage room, as it was in 1920. It was during that time that most of the building was constructed.

A Hocking Valley building and bridge gang is doing the work.

Repair Crewing

Repairs are being made at the Union Station Railroad crossing in W. Center St.

Office To Close

A railroad office here, on the corner of West Main and the Fourth St. was announced today. Freight houses will be open for the delivery of parcels freight only, and all local freight will operate as usual.

Pay Increased

Two, 75c pay for fireman's fuel and boiler helpers on certain railroads in southeastern territory have been increased by amounts ranging from \$5 to \$40 a month per day under arbitration award, and a few days ago and received here today.

The increased wages will be made effective for the third quarter.

Old Marriage Contract Shows Matrimony Once Was Fairly Permanent Arrangement

Many of the old marriage contracts which have been found in the past are now being used again, and having a contract of matrimony is now a permanent arrangement.

Now there are a variety of ways in which a marriage contract can be made, and the old marriage contract is still being used in many cases.

One of the most common ways in which a marriage contract is made is by the use of a contract of matrimony, which is a permanent arrangement.

Another way in which a marriage contract is made is by the use of a contract of matrimony, which is a permanent arrangement.

For the past 10 days the subject of the Anglo-Japanese alliance has been the center of the tripartite conference at Geneva.

Remains Paris. First Great Britain has a right to be heard in the tripartite conference at Geneva.

About Face Move. Japan's delegates at Geneva at first supported the American delegation in refusing to consider the resumption of the Washington treaty.

Men Not Worried. The four men who were to stake their lives in the ship were not worried. They were in their places. Mikimoto and Hagenberger are expected to be new members of the committee.

See Marked Difference. Washington continues to be named as the marked difference in British policy in the arms conference of 1921 and the arms conference at Geneva in 1925.

Shoulder to Shoulder. The British and Japanese delegates are standing shoulder to shoulder at Geneva, as they were to do in the days prior to the abrogation of the alliance.

K. OF C. DANCE

Successful Social Affair Held at Crystal Lake Pavilion

One of the most successful social affairs sponsored by members of Marion Council, No. 471, Knights of Columbus was the dance given last night at Crystal Lake Park. About 600 members and guests were in attendance and dancing was enjoyed to a program played by the Dal Talarin Orchestra. Proceeds of the dance will be applied to a fund established to defray the expense of entertaining the state Knights of Columbus convention to be held here next spring. While all returns of money and tickets have not been made it is expected a neat sum will be realized on the event. A request is made by members of the committee that all members make their returns of money and tickets at the earliest convenience in order to make a proper check on the proceeds.

L. A. Art, chairman of the committee in charge of the dance, was assisted by Clarence Mils, T. J. Ferricks, Edward Huber, Henry Harshart and Charles McDonough. It is expected that members of the council will sponsor another dance at the park during the season.

Members of White Shrine Observe 10th Anniversary

Celebration of the tenth anniversary of the Marion Shrine No. 15, Order of White Shrine of Jerusalem was held in the Masonic Temple, last night.

Featuring the program which was held in observance of the anniversary was the roll call of the first officers of the Marion Shrine. Six of the officers of the organization at its birth were present at the meeting last night.

A history of the local Shrine was given by Mrs. John E. Rush, who was the first worthy high priestess of the organization. In her history she revealed how the shrine had grown from a membership of 40 in the early days to 255 which are now on the records. The three first officers of the three of the highest positions in the club, as read by Mrs. Rush, were Mrs. Theron H. Kunkle, watchman of the shepard; Mrs. Laura Dornough, noble prophetess and Mrs. Catherine Koen, exalted.

Other principals in the program included a solo by Mrs. DeWitt Shetler and a solo by Mrs. George Greaser. A large number of members were at the meeting as well as visitors from out of town. A class of candidates were initiated preceding the program. The meeting last night was the last

SPORT SAUCE

BY EDIE SCHENKLE

Continued cool weather has been the snap out of summer for Marion as well as in other parts of the state.

On one occasion here the Marion players played baseball at Landon when the spectators found it tough to be thoroughly comfortable. The game with lots of pep, though rain did not stop the game meeting last week the players of the meet were too cool to be comfortable in the stands.

Professional ball teams have been on numerous occasions about the weather and have completed the season with many of the players even "getting up a good" weather has threatened to ruin the Marion residents who are at least once a week.

THE cool weather, Marion residents are making the best of it and will continue to do so if the weather doesn't get things back to normal within a few weeks.

ing is thriving at the Marion Club course with a number of players planned for the remainder of the season. Professional ball is swinging around the half-way mark and athletes are still looking good for Sunday baseball games.

Howitzer Outfit Stages Seventh-Inning Rally To Nose Out American Legion

Erie Office Has Little Trouble in Slaughtering Brotherhood of Railway Clerks for Sixth Victory and Association Lead

ERIE OFFICE today is leading the Association recreational ball league with six victories and one defeat, as a result of win over the Brotherhood of Railway Clerks last night while the Erie Switchmen were trouncing the Excavators.

Howitzers stayed in the race and are in full possession of third place following a seven-run rally in the seventh inning against the American Legion last night for a 11 to 10 victory.

The Erie Office had little trouble with the slugging Brotherhood of Railway Clerks and took their measure to the tune of 10 to 2. The Erie men collected 13 hits off F. Gilmore while Collier allowed only six. Iron made a home run and Ballinger of the Clerks smacked out a three-sacker.

Switchmen Win
The Erie Switchmen upset the defeat bucket in the Association by defeating the leading Excavators 10 to 5 in a loosely played affair. Midgum pitched for the Excavators and Greenleaf for the Switchmen. Keller held down the mound for the Switchmen. It was the second defeat of the season for the Excavators who dropped into a second place tie with the Switchmen.

With the score standing 10 to 4 against them, Howitzers came to bat in the last of the seventh and clouted the ball in all directions while the score was kept busy putting down the errors recorded by the Legion. It was the seventh defeat of the season for the American Legion. The team is lodged in last place in the Association.

MRS. CURTIS SOHL
FAVORITE IN TOURNEY

Cleveland, June 28. If practice makes perfect, Miss Louise Fordyce, daughter of the Ohio State Women's golf title, may find a successor in a slim little woman from Columbus, Mrs. Curtis Sohl.

Mrs. Sohl, whose home course is Seaside, scene of the National amateur in 1929, qualified at Mayfield yesterday for the championship fight with only two strokes more than Miss Fordyce. Mrs. Sohl had 45 going out and 43 coming in. Her score for the 18 was tied by Mrs. Julian Tyler, one of the eight Cleveland women to come in under the qualifying wire.

FIVE GAMES IN STEAM SHOVEL NATIONAL LOOP

Play Two Double-headers in One Shovel League

Electricians and Office each won two games last night while the Machinists topped one in a five game series of the National Steam Shovel League.

The Machinists trimmed the Welders, 11 to 1, with Newmeyer doing the mound work. Cook was the losing pitcher. With Bush pitching both games, the Electricians defeated the Orders 5 to 2 and 6 to 2, in a twin bill. Hicknerberry was on the receiving end for the winners. Holderman pitched for the Orders in the next game and Clark took the slab in the second fray. Ginder was backstop.

Hofflinger and Denniston added two more victories to the General Office record last night. With Hofflinger pitching in both games the Office crew defeated the Foundry 8 to 3 and 2 to 0, in a double-header. Saxon and Converse were the Family batteries.

The double-headers were played in an effort to again run on the regular schedule following a number of postponed games during the first of the season because of unfavorable weather.

COON CHASE PLANNED FOR FOURTH OF JULY

Will Be Held at Marion County Fairgrounds Next Monday

A new sport—the coon chase—is scheduled for the Marion County Fairgrounds on the Fourth of July, has been announced.

The coon chase will be given by the State Soil Field Trial Coon Chase organization, George Stitzer, 453 Chestnut, held manager. Races will begin at 10 o'clock, Monday morning, July 4.

Lince Russell of Cardington will have 100 black coons on the ground and anyone may enter their dogs for a small entrance fee.

MARION GOLFERS TO MEET BUCYRUS TEAM

Inter-Club Match Scheduled on Bucyrus Links Wednesday

At least 15 Marion golfers will journey to Bucyrus Wednesday afternoon to take part in the inter-club match between the Marion Country Club and the Crawford County team.

The local golfers have tied one match this season and lost one. The deadlock was played with Findlay here and the defeat came at the hands of Lime on the Lime course.

Many of the local entrants have been on the links here on numerous occasions during the last few weeks and are ready for the stiffer competition.

PETER MANNING SETS NEW RECORD

Akron, June 28.—Peter Manning, world's champion trotter today held a new record for tracks at distance less than a mile following his sensational performance at No. 10 Hampton yesterday when he won an exhibit on mile in 2:02.

The race was the first against time on a three-quarter mile track, the classic, representing the first quarter in 30 1/2, the half in 1:01 1/2, and the three quarters in 1:31 1/2.

SOMERVILLE-CLARIDON GAME ENDS SUDDENLY

Score Is 12-4 in Favor of Somerville When Blow-Up Occurs

With the score standing 12 to 4 in favor of Somerville today the umpire made a decision which extremely displeased the Claridon boys in the last of the seventh inning Sunday afternoon and the Tri County League game blew up. Claridon went home.

This was the announcement today from the manager of the Somerville outfit about the game in that village over last week end.

Somerville was evidently going hot when the crash occurred with Holloway pitching great ball. On the other hand, Claridon was not going so good and only a miracle would have saved them from defeat had the game gone the full length.

Whether the contest will be protested or go on a victory for Somerville is not known.

LOCAL GOLF CADDIES BEAT BUCYRUS TEAM

Wallop Crawford County Crew, 21-2, on Bucyrus Links

Marion Country Club golf caddies had little trouble in wallowing the Bucyrus caddies in an inter-club match at Bucyrus yesterday. The final score was 21 to 2.

Members of the Marion team and their points were as follows: Cecil Kunkin, 2; Stanley Hazler, 1; M. Kunkin, 3; W. Carver, 3; F. Carver, 2; 2. McAnouch, 3; F. Frayer, 3; and G. Hainsworth, 2.

The Bucyrus caddie team will come here within the next two weeks for a return match. The Marion caddies in view are other groups of caddies in our vicinity come to "take 'em on."

All Not Well Between John M'Graw and Certain Members of Giants, Rumor

NEW YORK, June 28.—In spite of the fact that John M'Graw has been with his ball players since the start of the season and they say that most of them have been with him but he demands and gives all the respect that is due him. The result, therefore, has been the current indignation meetings, conducted well out of managerial ear shot.

The point is that M'Graw still is a man among men but not exactly a team among gentlemen. The game either has advanced or retrograded, but, either way it is a different game than the one they followed with spices and state.

argument since the start of the season and they say that most of them have been with him but he demands and gives all the respect that is due him. The result, therefore, has been the current indignation meetings, conducted well out of managerial ear shot.

Two regulars were mentioned in the indignation. They are Bill Terry and Freddie Lusk. Members of the so-called all-star outfield and the word is that, somehow, they cannot bring themselves to love John for himself alone.

Extensions To Commercial District Recommended By Commission Are Approved

City Council Passes Ordinance Providing for Enlargement of Business District; Troubles Ironed Out at Meeting with Planning Body

Commercial extensions advocated by the City Planning Commission and which have been hanging fire, pending action of City Council, became a reality last night when the ordinance providing for the extensions was passed by that body.

Objections to the enlarging of the commercial district, which had been entertained by several members of council, were ironed out at a meeting of the planning commission and council held several weeks ago. The ordinance passed last night without a dissenting vote.

Satisfactory Arrangement

The matter of extending the fire limits with the extension of the commercial district, which had been one of the questions upon which the passage of the ordinance hinged, had been arranged to

ASSESSMENT MEASURES ARE ADOPTED BY COUNCIL

Ordinances Provide for Resurfacing of Wildwood-st and Sidewalks and Sewers

Ordinances having the assessment for the resurfacing of Wildwood-st and for sidewalks and sewers in Oakland Heights, which were given their first reading at the meeting of City Council two weeks ago, were adopted by council at their meeting last night.

The ordinance provide for an assessment of \$3.43 per lineal foot for the resurfacing of Wildwood-st from Prospect-st to the east terminus and also provides for the assessment on a sewer in Oakland-st from Cherry-st to Prospect-st, at \$1.93 per lineal foot, and for sewers on Bellefontaine-st from Barks-st to Glendale-st, on Glendale-st from Bellefontaine-st to lot No. 12,747, on Chaffield-st, on Bellefontaine-st to lot No. 12,702 and on Maynard-st from Chaffield-st to Sheridan-st, at \$2.50 per lineal foot. An assessment of \$1.75 per lineal foot for a sewer on Faby-st from Silver-st to lot Nos. 5,370 and 5,380, was also provided for in the ordinance.

Sidewalk Assessments

Sidewalk assessments provided for in the ordinance fixed a rate of \$1.28 per lineal foot for sidewalks on the north side of Bellefontaine-st and on the east side of Chaffield-st from Barks-st to Maynard-st, on the west side of Barks-st from Sheridan-st to Bellefontaine-st, on the north side of Glendale-st from Bellefontaine-st to lot No. 12,747, on the south side of Sheridan-st from Barks-st to the east terminus, and on both sides of Maynard-st from Chaffield-st to Sheridan-st.

A rate of \$1.37 was fixed as the assessment on a sidewalk on the south side of Harrison-st from State-st to the east terminus and one of \$1.52 per lineal foot for a walk on the south side of Buckeye-st from Davis-st to the east line of Mount-st. A sidewalk on both sides of Thew-st from Prospect-st to the east terminus was given an assessment of \$1.29 per lineal foot.

SAFETY HEAD DIRECTED TO SEEK PUMPER BIDS

City Council Takes Second Step in Purchasing of New Fire Equipment

A second step in the purchasing of a new pump for the fire department was taken by City Council last night when the safety director was authorized to advertise for bids. Copies of specifications have been prepared by City Clerk Keller and will be furnished each bidder.

A petition asking that street lights be installed on Duff-st, Brightwood-st and Mandan-st was presented to council last night. The petition was referred to the light committee of council.

The placing of four fire hydrants was reported to council by the Marion Water Co. The hydrants have been installed at the northwest corner of Davis and Broad-st, on Davidson, 450 feet south of Broad-st, on Davidson, 500 feet north of Keeney-st and on the northeast corner of Mount and Buck-eyes-sts.

ANOTHER MARION CITIZEN FREE OF NEURITIS PAINS

Says Konjola Also Cleared Up Miserable Case of Stomach and Kidney Trouble

"In the worst forms of neuritis the pains are piercing—just like hot daggers cutting into the nerves," said the Konjola Man yesterday at The Stump Pharmacy, 121 South Main St., Marion.

MR. REARDON HEFFLEY

where he is introducing the new medical product, Konjola, to the people of Marion and vicinity.

"Many authorities have stated that the agony of neuritis is likened unto an electrical shock; the terrible pains may grab the sufferer at frequent intervals, coming more often at night. Some call the affliction neuralgia, others say it is like rheumatism, but in either event, it is a terrible affliction and one of the most agonizing diseases mankind is heir to," continued the Konjola Man.

It is surprising what this new medical preparation, Konjola, will accomplish in so many instances of neuritis suffering. By invigorating the internal organs in healthy action, and stimulating the liver and kidneys, the poisons throughout the system are eliminated; the nerves become stronger, and within a brief space of time, this Konjola brings amazing relief to the neuritis sufferer. Many people in Marion are strongly endorsing Konjola for the suffering pains of neuritis. Just a few days ago, Mr. Reardon Heffley, 231 Superior St., this city, made the following remarkable statement:

"Besides stomach and kidney troubles, I was suffering dreadfully with neuritis," said Mr. Heffley. "My arms were affected with awful pains, and the muscles in my shoulders and neck seemed to draw up and pull at every nerve across my back. I couldn't sleep at night and my kidneys were so weak I always had back-aches and was out of bed 4 or 5 times a night. My digestion was poor and I suffered miserably with my stomach."

"I spent all kinds of money for medical attention and different remedies before I found out about this new Konjola. But now I am free of the awful pains in my arms and shoulders, and I sleep perfectly at night. The kidney trouble and night rising is gone, and I eat anything without stomach trouble. I will always endorse Konjola for the great relief this medicine gave me."

The Konjola Man is at the Stump Pharmacy (Stump & Mann), 121 South Main Street, Marion, where he is daily meeting the local public and introducing and explaining the merits of this remedy. Free samples given.

A Story of Boyhood Adventures

BY JUDG MORTIMER LEWIS

Another warm day today when I was down by the river in the fall. I had told the bunch yesterday that we would come over to camp there old clothes on the way. I would get my mother to let me spray on the hose and put a pile of the yard and we got to it and have a good time. The Rag of Tripe was a joke that he went last night up the fire escape at the house. Two quart bottles of ink and the teachers and were and unwarmed the hose. I drank and moved the ink and moved it and moved it and moved it under our hands.

We were all black.

Mr. H. has had the worst of it and he has suffered on the whole the least. He has been able to ground his knowledge of the matter in the world would be expected of it if it had not been.

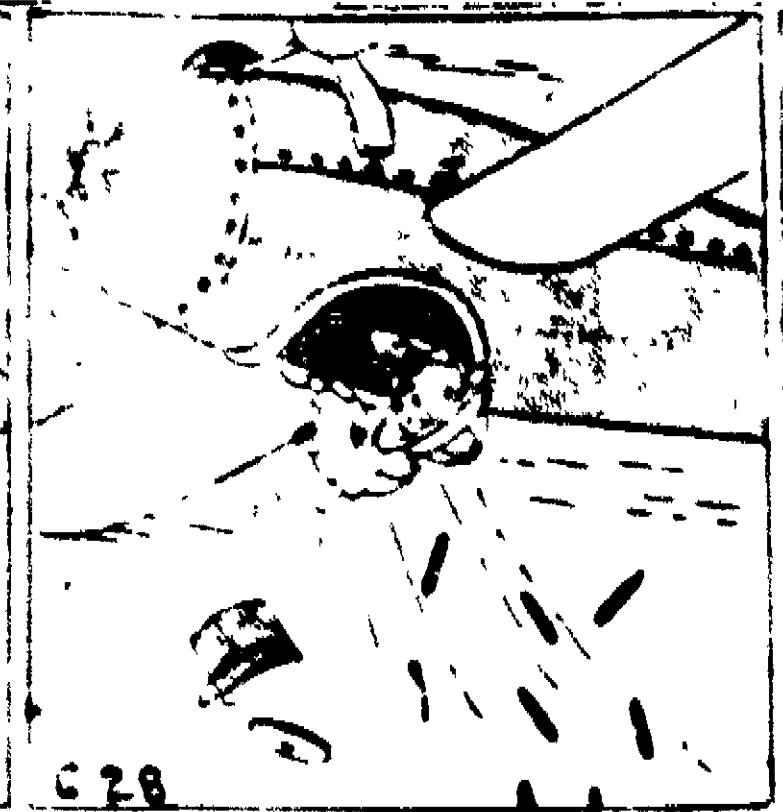

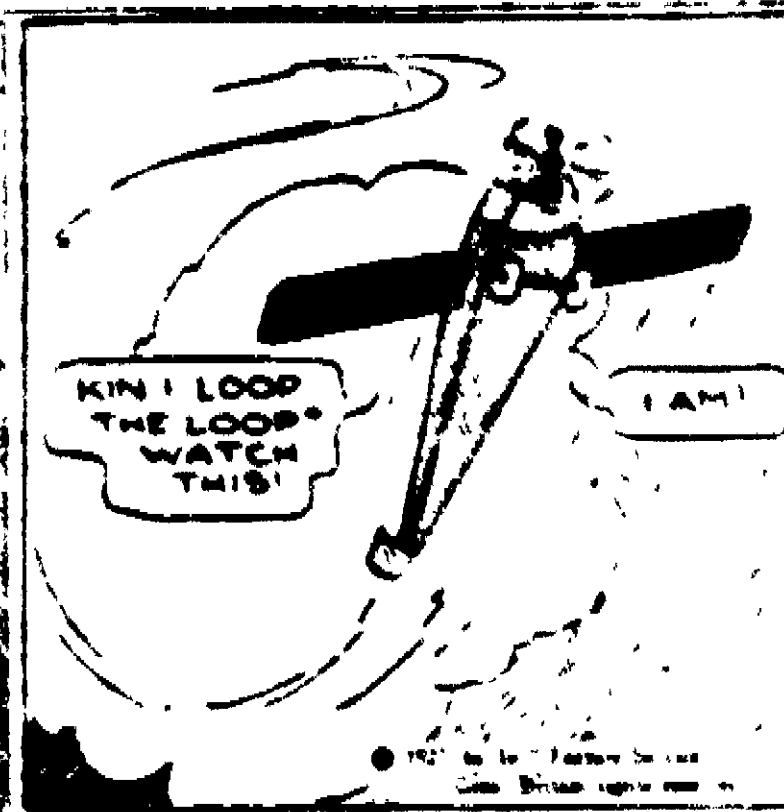

Mr. H. I am that I have been given to the book and the matter when I come back to the matter to start with me for the house.
